## **VARIOUS USEFUL KNOWLEDGES**

SOME "QUEST"IONS:

What is data, information and knowledge? How many kinds of knowledge are there? What is the criterion/measure/balance of evaluating a knowledge? What is truth(reality) X invalidness? What is true X false? What is the right way? What is the right guide showing the right way?

(There is no obligation to know/answer everything.)

### THE DECEITS IN THE GAMES

Tongue twisters(tekerlemeler) are trying to make speaking disorder. And also the game, "silent cinema". And the game Taboo.

"Silent cinema" game is also trying to show that as if every cinema is needed to be known.

We should not care empty things.
